

# RETENTION REWARD PROGRAM

Your loyalty means everything to us.  
We hope you choose... **Trico For Life!**

We value the choice you made to ask Trico to build a new home for your family. **We hope that you would make the same choice again and again and again.** Whether we are building your first new home or your third new home, we want the opportunity to build your next new home.

For your next Trico home, you will receive a **1% DISCOUNT\*** on the base model of the home and a **FREE MLS Listing Offer** to protect the equity in your current home. You will save thousands of dollars towards your purchase and have the confidence of working with experts you know to build your next home. Please complete your retention program registration on the back of this form.

\*Subject to change without notice. Rewards apply to firm sales only. Repeat purchases are treated as the procuring cause of interest and are therefore void if a purchase is realtor assisted. Please visit the showhome for complete details. To receive the Trico Retention Program Rewards a customer must be moving from their current Trico Home into a New Trico Home. 1% discount is calculated on the base house only before any extras, upgrades or options and before GST.
